I AM THE WAY I AM

I am the way I am,
And I'm very happy with that.
I may be short or I may be tall,
My body may be thin or fat.
But it really doesn't matter at all,
Because I am the way I am,
And I'm very happy with that.

CARE FOR THE EARTH

Now is the time to care for our Earth,
Whoever we may be.
To join our hands, our souls and our hearts,
And to work for unity.

Chorus:

For the world to be a beautiful place,
Full of flowers, birds and trees.
The future lies with nobody else,
It depends on you and me.

The time has come to plant more trees,
Make the air pollution free.
Respect all life, the animals too,
And to live in harmony.

Chorus:

For the world to be a beautiful place,
Full of flowers, birds and trees.
The future lies with nobody else,
It depends on you and me.

TAKE A LESSON FROM THE SUN

Take a lesson from the sun that shines his light on everyone,
Or the rain that falls on every single shore.
No distinction of our race or the colour of our face,
Nature's gifts are there for all men rich or poor.

CHORUS:

Love all, serve all,
Understand that love and peace is what we need,
Love all, serve all,
In every single thought word and deed.

Bear all and do nothing, hear all and say nothing,
Give all and take nothing in return.
Love is giving and forgiving, self is getting and forgetting,
Serve all in the spirit of pure love.

CHORUS:

Love all, serve all,
Understand that love and peace is what we need,
Love all, serve all,
In every single thought word and deed.

THIS LITTLE GUIDING LIGHT OF MINE

This little guiding light of mine I'm gonna let it shine.
This little guiding light of mine I'm gonna let it shine.
This little guiding light of mine I'm gonna let it shine.
Let it shine all the time let it shine.

Hide it under a bush Oh no I'm gonna let it shine.
Hide it under a bush Oh no I'm gonna let it shine.
Hide it under a bush Oh no I'm gonna let it shine.
Let it shine all the time let it shine.

Take my little light round the world I'm gonna let it shine.

Take my little light round the world I'm gonna let it shine.
Take my little light round the world I'm gonna let it shine.
Let it shine all the time let it shine.

Don't you blow my little light out I'm gonna let it shine.
Don't you blow my little light out I'm gonna let it shine.
Don't you blow my little light out I'm gonna let it shine.
Let it shine all the time let it shine.

THOUGHT WORD AND DEED

Think good, speak good, do good,
This should be our creed.
Serving others as we should,
In thought, word, and deed.
Life is not so easy,
But if we're to be free;
We must create unity, between the following three.

Think good, speak good, do good,
This should be our creed.
Serving others as we should,
In thought, word, and deed.

I HAVE A LIGHT INSIDE OF ME

I have a light inside of me, to guard me all the time.
But there's also something dark in there, ready to pull me down.
Once the light is shining, darkness will disappear;
And our life is filled with happiness, peace, love and good cheer.

LET US BE BRAVE

Let us be brave and courageous,
May we dare do what is right.
Let us fail not, Let us ail not,
Using all our strength and might.

In our lives are many problems,
Many obstacles in sight.
We must dare to, we must care to,
Go from darkness into light.

THOUGHT WORD AND DEED

Think good, speak good, do good,
This should be our creed.
Serving others as we should,
In thought, word, and deed.
Life is not so easy,
But if we're to be free;
We must create unity, between the following three.

Think good, speak good, do good,
This should be our creed.
Serving others as we should,
In thought, word, and deed.
